

MEMO TO: All Groups using the church building and grounds

FROM: CCUU Return to Building Task Force

SUBJECT: Protocols for Building Use

Date: June 11, 2021

.....

The Church has been mostly closed to people wanting to use the building, both CCUU groups and outside groups/renters. We have recently resumed granting building use to small and medium sized groups on a case-by-case basis. We have decided to pursue a deliberately slow, more conservative, step by step process in reopening the building. In an effort to fully resume normal operations, without a series of starts and stops, here are the current guidelines. This applies to all groups:

1. Masks must be worn by all participants at all times when in the building.
2. Groups must wipe down commonly used surfaces like table and counter tops as well as door knobs of the room you are using and the entry doors.
3. Meetings held inside or outside must be scheduled through the Church office. Masks are not required for outside activities.
4. Shared food & beverages should not be served; individuals should bring their own beverage and snack if needed.

We realize that community standards are changing quickly. Our standards are stricter by design but may change over the course of the summer as more information is known. Any group not wanting to follow these protocols should find another location. If we observe a group not following the rules, you will be asked to leave.
